Essential insurance solutions for
Harcourts agents and their clients

With more than 1000 Australian real estate agents on our books, Arthur J. Gallagher knows your profession inside out. Our deep understanding of the challenges you face every day has allowed us to build insurance solutions that best meet the needs of real estate professionals and their clients.

Arthur J. Gallagher is one of the world's largest insurance broking and risk management companies. Globally, we have more than 20,000 employees in 31 countries. But we're also locally focussed, with 34 regional and metropolitan branches across Australia.

This scale means we can harness the strength of relationships with leading national and international insurers to negotiate better deals and more tailored cover. Our local focus, meanwhile, makes us part of the same business communities our clients operate in – enabling us to offer personalised service and advice.

Whether it's professional indemnity and business insurance for agents, or landlord cover for clients, you won't find any deal-breakers among our range of insurance solutions. For more information on our full range of products and services, please turn over...

Protection for agents

Our core product for real estate agents is our competitively priced professional indemnity insurance.

Real estate professionals can get an instant quote and buy online at www.realestatepi.com.au

Beyond that, we have an insurance solution for every aspect of your real estate business, including:-

- Office insurance
- Cyber Protection
- Public liability
- Corporate and Personal Travel
- Workers Compensation
- Personal Accident
- Management liability
- Home, Contents and Motor Vehicle
- And much more...

With our close relationships with leading national and international insurers we're able to access market-leading products and negotiate competitive premiums to ensure you get the best cover available at the best prices.
